Party Details

- An Official Finklepott Fairy will arrive in costume and set up a 4 foot table and chair. The Fairy will fuse strands of Finklepott's Original Fairy Hair™ to each guest's hair and offer a sprinkle of our Magical Pixie Dust and the Finklepott Fairy Hair Blessing.
- Thank you for helping us create a magical environment. We need a temperature appropriate, indoor, well-lit, smoke free (and, depending on the Fairy -pet free) environment. We need pristine lighting for our Fairy Magic to work; this is a very important detail. If these conditions are not able to be met, to the discretion of the Fairy, services will not be rendered and full payment will be required from the host.
- Cash is the preferred method of payment. Deposits can be taken via credit or PayPal (or depending on the Fairy -Venmo. If you prefer to use a credit card there will be a \$50 convenience fee.

Party Booking

- **Parties/Events** are when the host or hostess pays the Official Finklepott Fairy to sparkle guests at the event. Our rates start at \$250, which is 100 strands plus travel fee of \$1/mile round trip as calculated by Maps/Waze/Mapquest. Often this is 10 guests getting 10 strands each, but can also be 5 guests receiving 20 strands each or any combination that adds up to 100 strands.
- Please contact your local Official Finklepott Fairy with your event location address, including zip code so that your travel fee and total costs can be calculated.
- Additional strands can be added onto the party agreement. Please discuss the possibility of additional guests with your Fairy so that they may make time allowances.
- There is a \$50 convenience fee if you would like to use a credit card for payment.

Talking with Guests

An Official Finklepott Fairy exclusively uses Finklepott's Original Fairy Hair™. The Finklepott Fairy fuses it to one strand of hair. It takes 10-15 minutes for us to place up to 15 strands. It lasts until that hair falls out. It can last months or a day...when you lose that hair, who can say?
You can wash it,
brush it,
comb it, curl it,
flat iron, (up to 450°!)
color it,
straighten it,
perm it,
blow it dry, get your haircut, etc.
Do whatever you normally do to your hair. But most of all, ENJOY IT!

Branding

Please always refer to our business and product by its proper name. This is most important in writing or on social media.
